OFFICIAL DRAFT — LETTER OF ESTABLISHMENT OF DIPLOMATIC RELATIONS

Your Excellency,

The Ministry of Foreign Affairs and International Cooperation of the Republic of Somaliland presents its compliments to the Ministry of Foreign Affairs of Georgia and has the honour to extend, on behalf of the Government and the people of Somaliland, our warmest greetings and expressions of goodwill to the friendly people and leadership of Georgia.

Somaliland greatly admires Georgia's strong commitment to democracy, sovereignty, and regional stability. Our two nations share common strategic values: peace, self-determination, and the pursuit of economic development rooted in international partnerships.

In this spirit, the Government of the Republic of Somaliland wishes to formally propose the establishment of official diplomatic relations between our two countries. We believe such a step will open a new chapter of mutual cooperation in areas of shared interest, including:

- * Trade and investment collaboration
- * Maritime and regional security
- * Education, cultural exchange, and institutional capacity building
- * Engagement between the private sectors and business communities of both nations

Somaliland remains committed to contributing positively to regional peace and economic integration in the Horn of Africa and the wider Red Sea region. Establishing diplomatic relations with Georgia would further strengthen this vision and allow our two countries to work jointly in support of a more stable and connected world.

Office of the Minister

Your Excellency, we would be honoured to welcome a delegation from the Ministry of Foreign Affairs of Georgia to Hargeisa at a mutually convenient time to discuss and finalize modalities for bilateral cooperation and diplomatic accreditation.

Please accept, Your Excellency, the assurances of my highest consideration, together with our sincere aspiration to see a strong and enduring Somaliland–Georgia partnership flourish in the years ahead.

Yours sincerely,

Abdirahman Dahir Adam
Minister of Foreign Affairs and International Cooperation.
