On Friday 21st November 2025 the Board of St Clements University met and has authorized Professor Dr. Bilal Semih Bozdemir to negotiate with the Republic of Somaliland government to establish an online higher education intuition within the nation.

It would initially offer a range of Business Management programs which incorporate a range of United Kingdom OFQUAL (Office of Qualifications and Examinations Regulation) awards Diplomas, Associate, Bachelor and Master degrees. Students studying these programs will have the option of transferring to a range of United Kingdom Bachelor and Master of Business Management programs or completing a United States regionally accredited Bachelor degree.

Overtime the scope of programs would be widened.

I look forward to working with you on these programs for the Republic of Somaliland.
